## From the Editor's desk:

A humble beginning, this kaleidoscope is an attempt to showcase HQ IDS activities on a quarterly basis in a pictorial format.

On 01 Oct 2017, HQ IDS completed 17 years since its inception and is continuously growing in strength, constantly striving to achieve its goal of providing synergy and jointness to a myriad of Tri services issues, in keeping with its motto, "Victory Through Jointness."

## Lt Gen Satish Dua, PVSM, UYSM, SM, VSM

This inaugural issue of TRIDENT is an attempt to showcase the silent yet dedicated work being carried out by Team IDS to enhance Jointmanship and Synergy between the three Services.

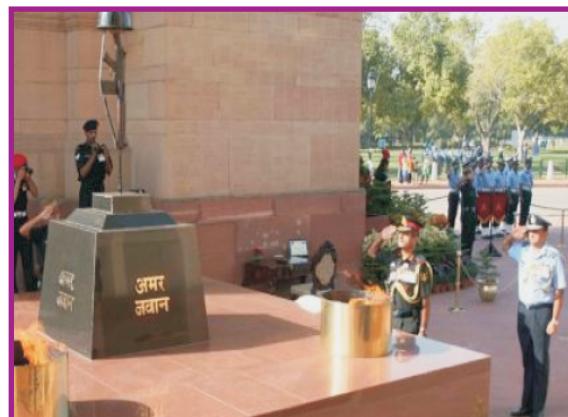

The editorial team has adopted a pictorial format to make your perusal of these Quarterlies more interesting. As you thumb through this first Issue, you would notice that, prior to capturing the events of the first quarter of this year, the editor also encapsulates the highlights of 2017.

I must place on record my compliments for the DOT Branch for bringing out this maiden issue and the path breaking effort.

## DID YOU KNOW....

### NATIONAL DEFENCE ACADEMY, KHADAKWASLA

National Defence Academy is the first Tri-services Academy in the world. Cadets of all three arms of Indian Armed Forces viz the Army, the Air Force and the Navy train together in 18 Squadrons before they go on to their respective service academies for further pre-commissioning training.

The main administrative building of the NDA was named **Sudan Block** in honour of the sacrifices of Indian soldiers in the Sudan theatre during the East African Campaign. It was inaugurated by the then Ambassador of Sudan to India, Rahmatullah Abdulla on 30 May 1959.

NDA is a premier Tri-Services Training Academy of India and is being handled at HQ IDS by the Armed Forces Training Institute (AFTI) Directorate of Doctrine, Organisation & Training (DOT) Branch.
