DID YOU KNOW

MILITARY INSTITUTE OF TECHNOLOGY, PUNE

Vision : To be a Centre of Excellence for Training and Education of the Indian Armed Forces in areas of Military Technologies and related fields.

The fore-runner of MILIT was the Institute of Armament Studies established within the campus of CME at Dapodi, Pune in 1952 & subsequently moved to the picturesque locale of Girinagar on the banks of Khadakwasla Lake; its present location.

The Institute acquired status of Deemed University in 1999 & became autonomous in 2006 as Defence Institute of Advanced Technology (DIAT)(DU).

Then a case was initiated to bifurcate from DIAT & form MILIT, completely dedicated to the needs of the Three Services. MILIT was formally inaugurated on 06 Feb 12 and constituted as an AFTI under the aegis of HQ IDS on 01 Apr 15.
